How certain are you that world is going to end on May 21 — do you have any doubts?

How certain are you that world is going to end on May 21 — do you have any doubts?

God has given *sooo* much information in the Bible about this, and so many proofs, and so many signs, that we know it is *absolutely* going to happen without any question at all.

Describe to me what exactly you expect to happen on May 21.

Describe to me what exactly you expect to happen on May 21.

When we get to May 21 on the calendar in any city or country in the world there's going to be this tremendous earthquake that's going to make the last earthquake in Japan seem like nothing in comparison. The servant answered Saul again, "Here, I have with me a quarter of a shekel of silver, and I will give it to the *man of God* to tell us our way."

(Formerly in Israel, when a man went to inquire of God, he said, "Come, let us go to the seer," for today's "*prophet*" was formerly called a *seer*.)

And Saul said to his servant, "Well said; come, let us go." So they went to the city where the *man of God* was.

HAROLD CAMPING

When a prophet speaks in the name of the LORD, if the word does not come to pass or come true, that is a word that the Lord has not spoken; the prophet has spoken presumptuously. You need not be afraid of him (Dt. 18:22).
