Doom

And the living creatures were turning to and fro among the living creatures. And the fire was bright, and out of the fire went forth lightning. And the living creatures started to and fro, like the appearance of a flash of lightning.

Now as I looked at the living creatures, I saw a wheel on the earth beside the living creatures, the four work of the four of them. As for the appearance of the wheels and their construction, their appearance was like the gleaming of beryl. And the four had the

were the appearance of the sun, and there was brightness around them. As for the appearance of the four that is in the cloud on the day of rain, so was the appearance of the brightness of these.

Each saw the appearance of the likeness of the glory of the Lord. And when I saw it, I fell on my face and was dumb for seven days. When I returned to myself, I saw four wheels on the ground. Their appearance was like the appearance of beryl, and they were full of eyes. The wheels were straight, and they were not curved. And they were like the appearance of the wheels of a chariot. And their axle was in the middle of the wheel. And the wheels were four, and they were one as another. And when the wheels went, they were like the appearance of a flash of lightning.
